Forecast for Saturday 21 Nov 2020

Weather: Drizzle turning to heavy rain through the early hours with cloud shrouding the hills. Rain will clear quickly through the morning and cloud will lift and break to leave a bright, often sunny day. A few passing showers are possible, mainly through early evening. Skies clearing by midnight.

Chance of cloud free mountain/hill tops above 700m: No chance until mid morning with cloud extensive down to 300-400m, then 80% through the rest of the day.

Visibility: Widely quite poor to start the day with fog across the hills and spells of rain. Improving to very good with distant views on offer.
